

## Gender Training Working Group & Community of Practice Members

No existe una traducción al Español

Meet the Gender Training Community of Practice and the Working Group!

The Gender Training Community of Practice Working Group is a group of experts in Gender and Gender Training from all over the world that collaborate with UN – INSTRAW in the establishment and functioning of the Gender Training Community of Practice.

#### UN-INSTRAW Gender Training Community of Practice Members

Gender Training CoP members are experts & practitioners in gender training, gender equality and knowledge management from international governmental and non governmental organizations from all over the world who get together to discuss and exchange ideas on gender training experience and to learn about different experiences. We already have 204 members! If you would like to contact any of them, please direct yourself to the CoP Coordinator.
